This file contains 3 documents:

1. Terms of Service Agreement (TOS) for Authors (Section A: pg. 1 – 3)
2. Terms of Service Agreement (TOS) for Consumers (Section B. pg. 4 – 6)
3. End User License Agreement (EULA) (Section C: pg. 7 – 8)

A. Terms of Service for Authors

These Terms of Service (“Terms”) govern your use of the eAcademicBooks website, platform, and related services (collectively, the “Site”) as an author or content provider. By creating an account, uploading content, or otherwise publishing through the Site, you agree to be bound by these Terms. If you do not agree, you may not use the Site to publish works.

1. Applicability of Publishing Agreement

Contractual Relationship

If you have signed a separate publishing agreement with eAcademicBooks LLC (“we,” “us,” “our”), that agreement is the primary document governing your relationship with us. These Terms apply in addition to, and do not replace, the terms of your signed agreement.

If you publish content through the Site without a separate signed publishing agreement, your use of the Site to publish constitutes your acceptance of, and agreement to be bound by, the eAcademicBooks Standard Publishing Agreement (“Publishing Agreement”), which is incorporated into these Terms by reference. A current copy of the Publishing Agreement is available on our site and may be updated from time to time. You can download it from https://media.eacademicbooks.com/Publishing_Agreement.pdf

Pre-Existing Agreements

If you have a pre-existing written distribution or publishing agreement with eAcademicBooks that does not contain the duties, representations, and warranties set forth in the current Publishing Agreement, the royalty provisions of your pre-existing agreement will continue to govern. However, by continuing to use the Site to publish, distribute, or sell your work, you agree to be bound by all other duties, obligations, and protections described in these Terms and the current Publishing Agreement, which are hereby incorporated by reference, regardless of whether your original agreement expressly included them.

In all cases, if there is a conflict between these Terms and the Publishing Agreement, the Publishing Agreement will control with respect to publishing matters.

2. No Agency Relationship and Course Adoption

Authors publishing through eAcademicBooks are independent contractors and are not employees, agents, partners, or joint venturers of eAcademicBooks. Nothing in these Terms or any associated Publishing Agreement shall be construed to create any employment, agency, partnership, or joint venture relationship. Authors have no authority to bind or obligate eAcademicBooks in any manner.

The decision to adopt, assign, or otherwise require any work in an academic course or program rests solely with the author and their affiliated institution. eAcademicBooks does not require, incentivize, or encourage such adoption, and any such adoption is made independently by the author in accordance with their institution's policies and applicable laws.

3. Author Responsibilities

You agree to:

- Submit only original works that you have the rights to publish.
- Comply with all applicable laws and regulations, including copyright, privacy, and defamation laws.
- Obtain, at your own expense, all necessary permissions for third-party materials.
- Comply with all applicable institutional, employer, and governmental conflict-of-interest, disclosure, and royalty-reporting requirements. You acknowledge that you are solely responsible for such compliance and that eAcademicBooks has no obligation to monitor, verify, or ensure your compliance.
- Fully indemnify eAcademicBooks for any claims, liabilities, or refund demands arising from your content, conduct, or noncompliance, as set forth in the Publishing Agreement.
- Inform eAcademicBooks staff of the (a) price, (b) method of publication that you would like for your book (eBook, or print), (c) the distribution channels that you have elected for your publication, (d) the length of access period time that you like to provide users who pay for access to your book, (e) the level of support that you require from eacademicbooks staff (cover design, indexing, etc.), (f) instruction on how to distribute profits on multi-authored works, and (g) all necessary governmental information required to pay you, via the website's dashboard, or other means, such as email.

4. Account Security

You are responsible for maintaining the confidentiality of your account credentials and for all activities that occur under your account. You agree to

notify us immediately of any unauthorized use of your account. You may not share your account credentials with others.

5. Acceptable Use

You may use the Site only for lawful purposes and in accordance with these Terms. You agree not to:

- Use the Site in any way that violates applicable laws or regulations.
- Post or transmit any infringing, defamatory, obscene, or otherwise unlawful content.
- Interfere with or disrupt the operation of the Site.
- Attempt to gain unauthorized access to the Site, other accounts, or our systems.

6. Intellectual Property

Authors retain ownership of your content subject to the license and rights granted to eAcademicBooks in the Publishing Agreement. Authors grant us the rights necessary to publish, distribute, and promote your work in accordance with that agreement.

7. Termination

We may suspend or terminate your account and/or remove your content if we believe you have violated these Terms, the Publishing Agreement, or applicable law. Termination does not relieve you of your indemnification obligations.

8. Limitation of Liability

To the maximum extent permitted by law, we are not liable for indirect, incidental, special, consequential, or punitive damages arising from your use of the Site or your publishing activities.

9. Changes to These Terms

We may update these Terms from time to time by posting the revised version on the Site. Continued use of the Site after changes are posted constitutes acceptance of the new Terms.
